Boot Hill Casino and Resort Unveil Expansion Efforts

Boot Hill Casino & Resort guests have even more reasons to visit Dodge City – an all new High Limit Slot Room & Poker Room. On Monday night, Boot Hill Casino & Resort Players Club members were the first to preview the new amenities. Three jackpots were hit during the Reception totaling over $7,000. "The High Limit room is great because it's confined and for the high limit players. The employees are always helpful and I am always greeted with a smile which is the most important thing," said Joyce H., Boot Hill Casino & Resort Players Club member, after winning a $3,200 jackpot. The High Limit Slot Room and Poker Room are the first steps in Boot Hill Casino & Resort's expansion efforts. Sharon Stroburg, General Manager of Boot Hill Casino & Resort, said, "We are excited to offer our guests more options to fit their entertainment needs. The High Limit Slot Room & Poker Room represent the first steps. We'll plan to continue the expansion and open an additional two hundred slots in September 2012. As we grow, we'll continue to cultivate local partnerships." Boot Hill Casino & Resort recently added two local favorites to the food and beverage selections – Papa John's Pizza© & Daylight® Donuts.
