Agard is All Region

Seward County forwards Latiq Agard and Marky Nolen were chosen to the NJCAA All-Region VI Team Wednesday afternoon after strong campaigns in the paint for the Saints during the 2009-2010 seasons. Agard was chosen 1st Team All-Region after a season in which he led the Jayhawk West in scoring at 17 points per game. The 6'4 sophomore was one of the most consistent players in the league in 2009-10, scoring 19 or more points in 8 of Seward's final 10 games of the season. Nolen was named Honorable Mention All-Region after a season in which he was arguably the most valuable 6th man in the league.

The 6'2 freshman played much larger than his size all year long and used his grit and toughness to average over 12 points and 6 rebounds per game this season. He was named to the Region VI All-Tournament Team Monday night after posting games of 23 points and 9 rebounds and 18 points and 10 rebounds in two games in Wichita.
