Item # : 7787

Title : 2001 GMC Savannah 1500 van

Description :

It's a gold 2001 GMC Savannah 1500 model. It's fully loaded, leather seats, rear heating and cooling, surround sound, large sized DVD player, and the back row of seats can turn into a bed. It has 167,000 miles and runs great. Great vehicle for taking a family vacation or riding around town in comfort. Also good for hauling items.

We are starting at \$3,800 or reasonable offer. The van books for over \$5,400 so this is a great deal.
