Item # : 7820

Title : Riding Mower

Description :

This is a Ariens Riding mower. It has a 13 hp. XL/C OHV Techumseh Engine. Asthetically, it isn't very pretty, but mechanically is sound and reliable. The engine has less than 20 hours on it. It has 4 brand new tires and has a 5 speed transmission and a electirc PTO blade clutch. The trim around the sides and the cover that goes over the engine are not shown but are included. The only thing holding it back from being used is a intake pipe. They don't cost very much but I don't have the time to fix it and I'm just using another one that I have. Price is negotiable. Or willing to trade.

Please give me a call or text at 620 309 8290

Or email me at [wrestleguitar@gmail.com](mailto:wrestleguitar@gmail.com)

Price \$75.00
