Title : Looking for contractors!

Description :

Hi, I am seeking contractor bids for a door installation at 708 S Kansas ave. The original door frame still exists and i will be supplying the door. The only work needed is peeling the stucko and plywood from the existing frame and mounting the door onto it. Please call 620-624-7007 or just come by the LIVE BAIT shop on S Kansas to look at what i need done. There is 4 hours MAX worth of work. I would do it myself but there is a stupid city ordinance that makes it to where i HAVE to use a licensed contractor.

Price \$300.00
