Title : 4 Bedroom 3 Bath House for sale in Liberal - \$145,000

Description :

This home is located North of 15th street in Liberal, Kansas in a VERY nice neighborhood and was just remodeled in 2011 including all new carpet and tile throughout and all new appliances! 4 Bedrooms, 3 bathrooms and attached garage. Bi-level house with a very nice full finished basement with lots of room including a huge den! Lots of built in storage including cabinets and book cases. Basement is partially above ground therefore it is light during the day without turning on any lights so it is not dark and gloomy like most basements. The basement also has a wet bar, very large tiled bathroom, a bedroom, a HUGE laundry room and two other rooms that could be used as offices, playrooms or bedrooms. There is a back door in the dining area that leads out to a large wooden deck that is attached to the house and leads down to the back yard and back door of the garage. Very large fenced back yard with a large cement slab for RV parking, a metal storage building and a VERY NICE 2 year old wooden storage building. Please call 620-309-8328 for an appointment to see the houses. SERIOUS inquiries only please!
