Rollover Accident Injures Turpin Youth

A one vehicle rollover accident occurred Monday morning at 8:04am one and nine tenths miles south and one mile west of Turpin in Beaver County. A 2002 Toyota being driven by 17 year old Jesse Dean Nelson of Turpin was west bound on a county road when his vehicle left the roadway to the right. Nelson overcorrected, and the vehicle began to roll, ejecting Nelson out the drivers side window on the second roll. The vehicle came to rest on its wheels after the fourth roll. Nelson was taken to Southwest Medical Center in Liberal with head, trunk, and internal injuries. He was later transferred to St. Francis Hospital in Wichita, where he is listed in stable condition. Seatbelts were not in use in the vehicle.
