Firefighter Cody Regier Wins Regional Firefighter of the Year Award, National Runner-Up
This past weekend in Great Bend, KS Fire Inspector Cody Regier was presented an award for American Legion Mid-West Regional Firefighter of the Year. The Legion Midwest region is comprised of ten states. The letter he received also indicated that he was also selected as a national runner-up. The Liberal Fire Department is very proud of Cody and feel that he was truly deserving of the award. This is a very high honor for a member of the department to receive recognition from the American Legion. The nomination for the award came from Deputy Chief Skeety Poulton through the local American Legion Post. He nominated Cody based on his accomplishments in his first full year as Fire Inspector for our department.
