### Seward's Boardingham Takes his Game South

Seward fans came to enjoy his big smile and ferocious dunks. It certainly won't be the same in the Green House next season without big "D", but you will be able to see him on TV. The 6'7" high flying power forward signed Tuesday afternoon in the All American Room at SCCC/ATS with Southern Mississippi.

The sophomore from averaged 12 points and six rebounds a game for the #3 31-7 Saints. He joins Irving Hollinger as the only Saints in history to win back to back Jayhawk West titles in going 58-14 in two seasons. He averaged 11 points and seven rebounds per game as a freshman.

He joins a Southern Mississippi program which went 25-9 and lost to K-State in the first round of the NCAA Tournament in March. Donnie Tyndall comes in from Moorehead State to take over the program in Hattiesburg, Mississippi after former coach Larry Eustachy went to Colorado State.
