### Saints Host Baseball Alumni Weekend Next Month

Once again on Labor Day Weekend, Brent Gould Field will be filled with memories of times past as the Seward County Baseball program hosts its 2nd Saints Baseball Alumni Weekend. After an extremely successful event in 2010 that brought nearly 30 former Saints legends back to Liberal for a weekend of fun, Head Coach Galen McSpadden and company will more less mimic the format that was used for the Inaugural Weekend this time around.

Friday night, August 31st, there will be an informal gathering at Billy's for any players and their families who come into town the night before the big game. Saturday the alumni team will take batting practice before an optional home run derby competition in which prizes will once again be given. Following that, it is time for business as the alumni team will get loose and then at 12:00 try their luck against the current Saints club. Upon completion of the game there will be a dinner and auction at Vargas Restaurant to close out the day's activities. On Sunday, the group will be at it again to close out the weekends festivities, this time on the golf course, where an 18 hole scramble tournament will take place at Willow Tree Golf Course. Outside players who would like to play alongside the alums are also welcomed to participate in the golf tournament.

For more information or to reserve your spot at Alumni Weekend, please contact Roy Allen at 620-417-1553 or [roy.allen@sccc.edu](mailto:roy.allen@sccc.edu).
