### Adventure Bay Opens Gates this Weekend

The City of Liberal will have Adventure Bay Family Water Park open this weekend, August 11 and 12, weather permitting.

Weather permitting, the City will make every attempt to open the water park on the weekends through Labor Day. However, it will depend on having an adequate number of staff members available as many lifeguards are returning to high school and college classes.

If you have questions, call 626-0134.
