CenturyII In Wichita To Become "Land Of Oz"

The award-winning musical "Wicked" is coming to Wichita's Century II. Fourteen trucks arrived yesterday afternoon carrying set designs, props and costumes that will bring Oz to life on stage.

In addition to the 17-person crew that travels with the show, an additional 100 local workers were hired to make the show possible.

"Every single theater has new challenges. This is the smallest theater we've ever played so there are challenges with that," Wicked Head Carpenter Justin Klynsmas said.

"Wicked" opens Wednesday night and runs through November 8th.

Tickets can be purchased at www.wichitatix.com or by calling (316) 219-4849
