Phi Theta Kappa Collecting Childrens Books

Phi Theta Kappa, the national honor society at Seward County Community College/Area Technical School, is conducting a book drive through November 30. Members will be collecting new and gently used children's books, which will then be donated to local shelters and the Big Brothers and Big Sisters organization here in Liberal.

Collection boxes are available on campus at 1801 N. Kansas on campus and at each of the elementary and intermediate schools.

If you have any questions, call Debbie Stafford at 620-417-1106
