Heights Girls Re-live Shining Moment

The Southwestern Heights girls are enjoying their Spring Break after winning the school's third girls state basketball title on Saturday 65-59 over Wichita Collegiate. Some players gathered at coach Barry Mellen's house and watched the state title game yesterday afternoon with coach Mellen and his wife. Several of the Heights players will be guests on the Sportsguys Tuesday morning between 7:37 and 9 am on Talkradio 1270. Heights went 25-1 this year and only graduates Holly Brown and Vivian Olvera from this year's team.
