T-Works Update, Public Input Meeting Coming Up

The Kansas Department of Transportation (KDOT) has scheduled eight regional meetings to update Kansans on T-WORKS projects in their areas and gather input from the public on how state transportation dollars are being invested. T-WORKS is a \$7.8 billion 10-year transportation program passed by the Kansas Legislature in May 2010. Leading up to the passage of T-WORKS, thousands of Kansans participated in local consultation meetings hosted by KDOT to identify regional priorities. These meetings are part of KDOT's continuing emphasis on collaboration with the public in implementing the T-WORKS program. The Southwest Kansas meeting is set for Wednesday, September 26, at the Magouirk Conference Center in Dodge City, from 9:00 a.m. to 12:00 noon.
