Seward Basketball Ticket Information

Season Ticket Holders, Booster Club Members and Saints Fans,

With basketball season just three days away, the SCCC/ATS Athletic Department would like to remind its supporters that a season ticket card, booster club card, school ID, or a ticket from the buyout sponsor will be required for entry with no exceptions. There will be no pass list at the gates and with changing gate workers, fans attending the games are asked to bring the required ticket for entry rather than expecting workers to remember them.

Also, for season ticket holders, your reserved seat card **WILL BE REQUIRED** to sit in your reserved seats. There will be workers checking tickets in the reserved section so please have those available to show to them to avoid any confusion.

Tickets for this weekend's Pepsi Classic are available thanks to our buyout sponsor Pepsi at the Liberal Pepsi office, both Liberal Pizza Hut locations, First National Bank, and the North Hutch's.
