Pumpkin Patch Festival In Guymon This Weekend

Fall is upon us, and that means it is time for the 30th Annual Pumpkin Patch Benefit Arts & Crafts Festival.

The Pumpkin Patch will be on Nov. 3 and 4 at the Texas County Activity center in Guymon and will be from 9-6 p.m. on Saturday and 11-4 p.m. on Sunday.

“We have about 100 booths ranging from jewelry to woodwork, metal, to hats and accessories,” said Jennifer Sappington with Lambda Psi. “Everything that Lambda Psi raises through Pumpkin Patch, we donate it back to the community; such as Christmas baskets, Red Cross, Hope Pregnancy centers and some medical funds for specific people.”

It will be a great opportunity for people in the area to come do their early Christmas shopping with a very wide variety of products that will be available at Pumpkin Patch.

Be sure to stop by the Activity Center on those two days during the weekend to help take care of all fall shopping needs and get to see new and unique crafts and goods that will be set up at the booths at the Arts & Crafts Festival.
