Two Liberal Businesses Get Robbed

Liberal burglars were picky about what they wanted to steal from two Liberal businesses. Liberal police report someone broke into Daylight Donuts and stole a TV early Monday morning. An hour and a half later someone broke into the High Plains Daily Leader in the 200 block of South Kansas and stole a TV. No one was in either business during the time of the two thefts. A TV was stolen from Daylight Donuts this fall as well. Police are investigating to see if the burglaries are connected.
