Sleder Eager to Lead Young LHS Wrestlers

First year head coach Matt Sleder thinks he has a good thing going in Liberal. Despite the program's struggles the past two seasons, Sleder points to several positives as he steps in for Mike Pewthers. There are 50 Redskins out for wrestling so interest is strong. He has a strong freshman class which accounts for a good portion of the varsity from week to week. He also feels he has good wrestling coaches with Redskin ties from the wrestling federation program to the middle schools. The Redskins went 0-4 at Valley Center last weekend and compete at Colby this weekend. Click on the audio icon to hear why Sleder thinks the wrestling Redskins are headed in the right direction.
