Table Decoration Award Winners Announced

Over 70 tables were sponsored at Saturday Night's Liberal Chamber of Commerce banquet. Local and area businesses sponsored the tables, and were encouraged to decorate their table to showcase their business. The theme for Saturday night's banquet was "Southern Hospitality, Liberal Style". Many businesses took this theme and incorporated it into their decorations. Winning the award for the best decorated table was Seward County. In second place was United Wireless, with third place going to The Good Samaritan Center. Good Sam's was the first place winner from last year.
