### Dorothy's Draw For Autographed Guitar

JoAnne Mansell, Executive Director of The Coronado Museum, Dorothy's House, and The Land Of Oz announced the winners of the autographed items donated to the museum for a fundraiser to help send the Dorothy's to Washington DC. Donated was a Liberal Redskin customized guitar autographed by Liberal native and country music star Jerrod Niemann, a Jerrod Niemann autographed t-shirt, an autographed Jerrod Niemann CD, and a couple of guitar picks, also signed by Niemann. For the past two and a half months the Dorothy's have been collecting donations for a chance to win the prizes, with the drawing held on Pancake Day. Winning the guitar and a pick was Jack Taylor of Liberal who said he was "Absolutely thrilled" and said for him it was'nt about winning any of the prizes, but more of a way to help these young ambassadors from Liberal to get to the Nation's Capitol. Mona Schwindt won the T-shirt and a pick, and Bob Blain walked away with the autographed CD. Money raised towards the trip was over \$600.00
