Volunteers Sought For Kansas Sampler Festival

The Kansas Sampler Festival will again be occurring in Liberal May 4 and 5, 2013 in Light Park. Over 150 vendors have already registered to exhibit, sell, entertain and demonstrate at the event. This event offers attendees a chance to sample what there is to see, do, hear, taste, buy and learn in Kansas.

It also offers local residents a chance to show those exhibitors and festival attendees the hospitality offered by our community. Volunteers are needed on Friday, May 3; Saturday, May 4; and Sunday, May 5, to assist with the event.

Anyone interested in volunteering is invited to call 626-0170 or email tourism@cityofliberal.org to learn about volunteer opportunities and sign up to help.
