Seward Softball Duo Wins KJCCC's Weekly Awards

After a 3-1 week which included a pair of wins over Barton and another against league rival Garden City, Seward County's Samantha Phelps and Katelyn Craker have been named the Jayhawk West Player and Pitcher of the Week as announced by conference officials Tuesday.

Phelps had a break out week for the Lady Saints in four Jayhawk West Conference tilts. Wednesday against Garden City she drove in 5 runs for Seward in the double header with the Busters including a career high 4 in game two of the twinbill. Sunday against Barton she was at it again, doing 4 for 5 with 3 doubles and 4 RBI's in an 18-9 win against the Cougars and helped Seward complete the road sweep with 2 more RBI's in game two. She finished the week hitting an even .500 with 11 RBI's in 4 games.

Craker was unscored upon in two starts for the Lady Saints this week. Wednesday against a high powered Garden City offense she threw a three hit shutout against the Busters, striking out 4 to lead the Lady Saints to a 13-0 win. On Sunday she nearly replicated her line from Wednesday, this time throwing 6 shutout innings against Barton, allowing just 3 hits in another 13-0 Seward win.
