Bank Robbery/Bomb Threat In Boise City

Boise City, Oklahoma - Authorities in the Oklahoma panhandle are asking everyone to be on the lookout for two robbery suspects who we're told robbed the bank in Boise City this morning.

The suspects may have called in a bomb threat to area schools to help divert law enforcement away from catching them.

The suspects are described as a white male and a white female, both in their late 20's or early 30's. They were last seen driving a white van with paint peeling off. There may also be a second vehicle described as a cream colored Jeep Wagoneer.

Anyone with information on these suspects are asked to call law enforcement immediately. The Cimarron County Sheriff's Office can be reached at (580) 544-2020.
