Citizenship Classes To Be Offered This Summer

The Business & Industry office at Seward County Community College/Area Technical School will begin summer citizenship classes to prepare eligible legal permanent residents for the United States naturalization process.

Summer enrollment day is Friday, May 31 from 2:30-5:30 p.m.

The class will run 3:30-7 p.m., June 5-27, Mondays-Thursdays, at the Colvin Adult Learning Center, 930 N. Kansas.

The cost is \$100 per person.

The class will address the application process, American government, American history, U.S. Constitution, Declaration of Independence and the U.S. Citizenship and Immigration Services (USCIS) interview process.

For information or to register, call 620-417-1170 or email b&i@sccc.edu.
