

29 Arrested In Gang Crackdown

A 21-month investigation of local criminal street gang activity concluded with the arrest of 30 individuals, and the service of four search warrants.

The operation began in October 2011, when the Garden City Police Department investigated the report of a home invasion at 2615 N. Main Street #4A, which resulted in an aggravated robbery and aggravated battery. Several individuals involved were identified as members of a local criminal street gang. It concluded on June 5 with the service of search warrants at three residences located in Garden City and at a location in Finney County.

The search warrants were served at the following locations:

- 950 Jennie Barker Road #47.
- 603 Howerton Place
- 1325 Summit Street
- 1265 Rolling Hills

After a review of other cases involving members of the same criminal street gang, an investigation called "Operation Frontline" was initiated to resolve older cases and suppress future gang crimes. This investigation involved undercover operations, surveillance and gathering evidence of crimes involving suspected gang activity in Garden City.

These crimes included home invasions, gang initiations, aggravated batteries, an aggravated arson and attempted murder, gun sales, drug sales, burglaries, and possession of stolen property. As the investigation progressed, information was obtained about criminal activity in other jurisdictions, including Finney County.

The Garden City Police Department received investigative assistance from the Finney County Sheriff's Office to investigate criminal activity in the county. Operation Frontline resulted in criminal charges filed against 29 members and associates of a local street gang.

Four individuals identified during the investigation have not been located.
