### NJCAA Honors Six Seward Teams and Five Individuals

The NJCAA released their academic award winners for the 2012-2013 school year Tuesday and six different Seward County teams found their way onto the list while five individuals were given top academic honors from the commissioning body.

Six of the seven Seward County teams earned All-Academic Team awards led by the Lady Saints volleyball team who notched a 3.31 team GPA this year. Nipping on their heels were the Lady Saints basketball and tennis teams who tied with 3.27 team GPA's in 2012-2013. Posting a 3.16 team GPA was the Lady Saints softball team while the Saints baseball team earned a 3.06 cumulative mark and the Saints men's tennis team rounded out the pack with a 3.01 mark.

Saints baseball player Johnny Griffith earned the top academic honor in the department, picking up a Superior Academic Achievement award with a 3.88 GPA throughout his Seward County career. Next up was Lady Saints volleyballer Jasmine Bryant who earned Exemplary Academic Achievement honors with a 3.76 GPA. Volleyball player Bailey McFerren and baseball player Garret Smith each posted a 3.68 GPA to also earn Exemplary Academic Achievement honors and softball player Kennisha Montgomery finished with a 3.62 GPA to earn the same award.
