New Educators Breakfast Hosted By Chamber, Businesses

The Liberal Chamber of Commerce once again sponsored the New Educators Breakfast on Friday morning at 6:45am at SCCC/ATS. After welcomes were made by Dr. Jack Jacob, Education Committee of the Chamber of Commerce, USD 480 Superintendent Paul Larkin, and SCCC/ATS President Dr. Duane Dunn, over 90 new educators were introduced to a capacity room, by their host businesses. Teachers new to the District and the college have come from as far away as California, Michigan, and all points in between. Most teachers have been in the community for several weeks already with classes starting as early as Friday.
