Anthony Martinez Improves to Fair Condition

Anthony Martinez's condition continues to almost miraculously improve. He is now in fair condition at Wesley Medical Center in Wichita. He was in mass critical condition last week after two men severely beat him March 29 in the 100 block of West Hickory. Martinez was severely beaten in the head with an object causing severe head injuries. A father and son 46 year old Eliseo Avila and 20 year old Alexander Avila-Ortiz appear in court again April 22 stemming from the incident.
