High School Football Returns to Airwaves

Seward County Broadcasting's myriad of high school football coverage kicks off this week on Talkradio 1270 and 102.7, The Legend. It's a familiar format to past years with two football preview shots at Billy's on Thursday nights with two games on air Friday nights.

Brock Kappelmann will host the Rowdy Crowd Show with Liberal head coach Cliff Abbott Thursday nights at 5:30 on 1270 and kscbnews.net where the broadcast will be available online, on smart phones, mobile devices, and Veto Cable channel 9.

At 6 p.m. Thursday's on 102.7 and kscbnews.net and channel 9, it's On the Sidelines with Brock Kappelmann, Jack Jacob, and a different area team each week. That schedule is available below.

Friday night football coverage begins at 5 p.m. on 1270, kscbnews.net, and Veto Cable channel 9 as Brock Kappelmann hosts Coach Speak talking with area football coaches. All the Liberal High games will air on those same mediums as Redskin pre-game begins at 6 each week with a 7 p.m. kick off each week. Rick Potts will cover the sidelines and Alan Brown will provide color commentary again with Kappelmann providing play-by-play. The Kansas High School Scoreboard show begins at 10 p.m. Friday nights.
