Coach Julie Tucker's thoughts on the varsity:

Our serve receive was better tonight but still needs much improvement. Missed serves plagued us tonight, as well as a lack of mental toughness, so we'll be working on those things this week. We finally got aggressive and played hard the last few points against Stanton County to finish out the night on a bright note.

SWH Record: Varsity and JV are both 3-1, 2-0 in Hi-Plains League.

Next in action on Tuesday, Sept. 17, at Syracuse vs. Stanton County, Elkhart, and Syracuse, starting at 5:00 (4:00 for JV).
