### ICaucus Endorses Boldra for Big First

The Independent Caucus of Kansas has announced their endorsement for a candidate for the United States House of Representatives from the Kansas 1st District. The ICaucus choice is Republican Sue Boldra of Hays who garnered 84% of the eligible 1st District vote to secure the endorsement.

Boldra is a retired Government teacher in the Hays school district and currently teaches classes at Fort Hays State University. Boldra said she has always wanted to run and is running a grassroots campaign and is not a career politician like many of her opponents.

Boldra spoke to the "We the People" group in Liberal last month and has visited Liberal twice since then, with her most recent visit taking place two days ago.
