LHS Gains Chance to Win Ten Thousand Dollars

Liberal High School will receive one-thousand dollars and could win ten-thousand dollars. That's part of the Verizon Wireless Spring Funding Program. Verizon selected LHS as one the of the schools to participate. Liberal is one of 15 schools participating and four of those schools receive ten-thousand dollars. In return, LHS will display Verizon banners and posters, distribute flyers, there will be a check presentation, and public address announcements. You can go online to vote for LHS at www.vzrules.com/highschool to give Liberal a chance to win. You can vote now.
