Liberal and Hugoton Receive Housing Grant

TOPEKA, Kan. (AP) - A county and nine cities in Kansas will share \$2.1 million in grants to help them building housing for moderate-income families and extend their streets, sewers and water systems.

The Kansas Housing Resources Corporation is making the grants under its Moderate-Income Housing Program. It's aimed at helping the development of single-family homes, rental properties and infrastructure in communities with fewer than 60,000 residents.

Stafford County is receiving \$168,000.

The largest grant of \$400,000 went to the city of Quinter.

Hoxie received about \$382,000 and Liberal, \$350,000.

The corporation awarded \$250,000 to Hugoton, \$200,000 to Lyons and \$100,000 each to Cottonwood Falls, Humboldt and Parsons.

Stockton received \$71,000.

The corporation is an independent agency with a board appointed by the governor.
