Seward Duo Talks Championship

It's whas part of God's plan. That was the attitude of Seward tennis player Ronzai Saurombe after a seemingly crushing defeat to Seminole State in the championship of the ITA regional in Oklahoma City. Saurombe's belief was that losing in the regional would make him and teammate Alejandro Gonzalez even more hungry at the ITA nationals in Florida. Although they were seeded 8th, they went on to win the school's first national title. Click to listen to their interview with head coach Jerry Thor which aired during the Sportsguys Thursday morning.
