American Majority to Host Political Activist Training

American Majority (America's premiere political training organization, focused on grassroots activism, campaigns, and candidate identification) is pleased to announce a conservative activist training on Saturday, May 15 at the Liberal Public Library, from 1 to 4:30 pm. American Majority believes that activism & leadership begins at the local level.

Topics included are:

The System: An in-depth look at the system we're in, how we got there & what can be done about it

Grassroots Action: Ideas & practical steps to engage our communities, organizations & volunteers

Precinct Power: Changing your community one precinct at a time with specific focused action
