### Childrens Health Fair In Guymon

Thanks to the Texas County Turning Point Partnership and a group of concerned citizens and agencies, a Health Fair will be held for children 18 and under.

Held at the Texas County Activity Center, children are welcome to come for free dental screenings and immunizations. Internet safety will also be provided to those attending, as well as bouncing balloons, games, activities and give aways.

Texas County children 18 and under are welcome to attend Thursday, July 22, from 3-7 p.m. at the Texas County Activity Center.

Be sure to bring your child's immunization record!
