Calling All Retailers

The Liberal/Seward County Joint Economic Development Council is inviting all local retailers to a lunch-time round table discussion on Thursday, January 16th. We would like to discuss the local retail economy and what can be done to make it better. The meeting will be held in the Commission Chambers at the County Administration Building at noon on the 16th. In order to know how much food to order, please RSVP Jeff Parsons at 626-2256 by Wednesday, January 15th. Hope to see you there!
