## Gas Compressor Institute Coming To Liberal

Seward County Community College/Area Technical School and the Pipeline Institute for Education will hold its 61st annual Gas Compressor Institute April 15-16 at the Seward County Event Center.

Tuesday, April 15 participants can learn about Alignment, Gas Lift, High Speed Round Table—Engines/Emissions 101, Kansas/Oklahoma Air Regulation, Kansas Updates, Screw Maintenance/Repair (hands-on), and Vapor Flash Recovery.

The workshops for Wednesday, April 16 are Compressor Packing/Seals and High Speed Round Table—Engines/Emissions 101.

The cost is \$85 for the workshop.

For information, contact 620-417-1170 or email [b&i@sccc.edu](mailto:b&i@sccc.edu). For complete information, go online to [www.gascompressor.info](http://www.gascompressor.info).

SCCC/ATS is celebrating April as National Community College Month.
