Comments from head coach Julie Tucker:

Senior Morgan Eakes did a great job setting and Marissa Angell played well in serve receive and defense.

This was the fourth consecutive year our varsity team has won the Hugoton Invitational Tournament. I felt like we really played well together today as we were able to handle all of our opponents in 2 sets each. We continue play Tuesday at home. It will be Senior Night/Parents' Night since it's our only home competition other than our tourney. The varsity record is now 9-0; the JV is 4-5.
