### Tammy Sutherland Abbott To Step Down From USD 480 Board

At last night's USD 480 Board Of Education meeting, long time board member, Tammy Sutherland-Abbott, announced to the Board, that due to a move out of the District, she would be stepping down from the 480 Board effective June 1, 2014. Sutherland -Abbott will continue to live in Seward County, just not in the 480 School District. She issued this statement via her Facebook page. "For approximately the last 10 years I have had the honor of serving our community and the students of USD480. We are moving into Seward county and it will be out of USD 480's district, so at last night's meeting, I informed the board that effective June 1st, I will officially resign. It has been an honor and privilege to serve and hopefully to have touched and made a difference in some lives. My memories are priceless. Thank you."
