Stat Leaders/Coach Julie Tucker's comments:

Seniors Heidi Brown and Deni Jacobs led in kills with 15 each for the night, followed by junior Rachel Stout with 10. Jacobs and senior Morgan Eakes led the team in ace serves with 10 each.

“It was a pretty slow night but I felt like we executed pretty well. We’ve been getting more involvement from a couple of the juniors the last couple dates of competition, so that’s been great to see. Our serving was a weakness today so we will be focusing on that going into this weekend’s tournament at Liberal. We play Hugoton, Colby, Elkhart and Dodge City in our pool. The tourney starts at 8:30 am.”
