Memorial Day Services To Honor War Dead

The Liberal American Legion and Legion Auxillary are once again planning Memorial Day Services at The Liberal Cemetery and Restlawn Memorial Gardens north of Liberal. Services at Restlawn Memorial Gardens will start at 9:00am with the services at the Liberal Cemetery taking place at 11:00am just inside the west gate of the cemetery at the World War I Memorial. The ceremonies will include the posting of the colors, National Anthem, poems, readings, songs, speeches, and the Echo, honoring all those missing in action from Kansas, with Taps also being played. These services are to honor the soldiers who have passed on, either while serving, or later in life, and are open to the public.
