### Limited Number of Duck Race Tickets Remain

Before Saturday's big duck race, there is a race to get tickets. Only three thousand tickets will be sold for the race at "Ducky Downs" in Blue Bonnet Park Saturday so Chamber of Commerce Executive Director Rozelle Webb, are there tickets available? "Oh certainly," Webb said. "We still have a few ducks left. We won't sell more than three thousand so your odds are pretty good at winning one of the prizes. We do still have some ducks and they are available at the Chamber office, First National Bank, Southern Office Supply, Collin's Jewelers, Ayr Lanes, KSCB Radio, Edward Jones-Greg Bird, Southern Pioneer Electric, and from any Chamber board member or ambassador." Prizes include six thousand for first place, two thousand for second, one thousand for third, and 500 for fourth and the hard luck duck. The duck race is at 2 p.m Saturday after a full morning and afternoon of activities which begin at 8 a.m. Saturday.
