### Sen.-Elect Moran Undecided On Gays In The Military

Sen.-elect Jerry Moran says he has reached no conclusion on whether to support the repeal of the ban on gays in the military.

Moran told reporters Thursday during a tour at the Dole VA Medical Center in Wichita that he would trust military leaders to make the right decision on the issue.

The Kansas congressman says he has not yet seen a Pentagon report that reportedly concluded that lifting the ban on gays serving openly in the military would present minimal risk to the current war efforts.
