Seward Softball Splits in Trinidad

In the thin air of the Colorado Rocky Mountains, the Seward County Lady Saints came out 1-1 with the Trinidad State Lady Trojans this afternoon in Trinidad. Seward fought from behind most of game one as Trinidad got 4 in the 2nd inning but the Lady Saints would chip away before tying the game and sending it to extra innings. In the bottom of the 8th the Lady Trojans would get a big hit with two outs off the center field fence to drive in a run and win the game 6-5. In game two it was all Seward all the time. The Lady Saints scored 6 early runs and would never look back as they came away with a 9-4 win to salvage a split. (Roy Allen)
