Barrios Leads Saints on All Region List

After winning the Region VI Championship last weekend, three Seward County Saints have a cherry to add to the top of their cake. Freshman shortstop Jake Barrios, sophomore outfielder Tyler Hill, and sophomore ace Logan Hall have all been named to the NJCAA All-Region VI teams. Barrios is the Region VI Champs lone 1st Team selection in a rookie campaign in which he currently sits at .361 with a team high 7 home runs and 53 RBI's. The Saints defensive anchor did more than his fair share of glove work this season as well, dazzling onlookers this weekend at the Region VI Tournament with a number of highlight reel plays to both sides of his shortstop position. Hill was a 2nd Team pick in the outfield and deservedly so, after leading the Saints in hitting much of the season and will check into the JUCO World Series hitting at a .399 clip. Hill is second on the team to Barrios with 52 RBI's and has also been solid in the field for the Saints, recording just one error in 118 chances, good for a .991 fielding percentage. Hall joins a loaded class of pitchers on this seasons 2nd Team as the Seward staff ace is 10-2 on the season to this point. He has thrown 7 complete games for the Saints this season while working 89 innings and is currently second in school history in wins with 17 and innings pitched with 178 1/3. (Roy Allen)
