### Seward Coach Wins National Award

After leading his team to their 2nd straight NJCAA National Tournament in 2011, Seward County Head Men's Tennis Coach Darin Workman has been awarded the Herschel Stephens Coaching Award. This award is presented in recognition of service and dedication to the NJCAA Coaches Association. To be eligible for the distinguished honor, coaches must have made three trips to the national championships in a five year period and can receive it only once in their careers. The award is voted on by the entire NJCAA Tennis Coaches Association.
