Saints Tennis National Academic Champions Again

Following another outstanding year that saw them again reach the NJCAA National Tournament for their skills on the court, the Seward County Men's Tennis team has accomplished a feat even more impressive off of the court. The Saints, led by Head Coach Darin Workman have, for the third straight year, been named the NJCAA National Academic Champions after posting a 3.60 team GPA. To put the award in perspective, the Saints 3.60 team GPA was the second highest team mark in the entire country for any men's team, next to only Dodge City 2010-2011 golf squad.
