- Chapman 10 kills, Garcia 13 assists, Cisneros 11 digs

Quote from head coach Thais Baziquetto: ""We have to start playing with more energy out there. We seem to be getting behind in every match and have to fight an uphill battle every set. We lost a couple of matches this weekend to good teams and we just need to try and keep improving so we can be where we need to be at the end of the season".
